## What you get with Omnipress

- ▶ **Fast turnaround** – Products can be designed, produced and delivered in as little as two weeks.
- ▶ **Convenient and user friendly** – Our products are searchable, easy-to-use and can carry thousands of pages of information, including audio and video.
- ▶ **Professional Design** – Your interface is carefully tailored to be consistent with your organization brand and event.
- ▶ **Less expensive** – For larger page counts, these media types are usually less expensive than print, saving you money while still providing members with valuable content.
- ▶ **Responsive Service** – Immediate and consistent service from a dedicated account and project management team.
- ▶ **Guaranteed Delivery** – On-time delivery to any U.S. location.
- ▶ **Full Service** – Omnipress can also produce printed books and online publications that support or complement these media products.

*A combination of digital media and printed materials may be the best for your event...Ask us!*

## About Us

Omnipress is trusted by the meeting industry to produce educational materials for events in CD, DVD and on Flash Drive, as well as, in Print and Online. From content collection to guaranteed event site deliveries, we provide unmatched service and flexible processes that make you and your organization look good.

## Complete Conference Services

- ▶ Printing of conference proceedings, handouts, flyers, agendas and event signs
- ▶ Online content collection from your speakers
- ▶ Page formatting and layout services
- ▶ Tote bag stuffing for your events
- ▶ Online hosting of educational content
- ▶ On demand, one-off production and fulfillment

“ Our attendees are quite impressed with the ease of finding papers and gleaning information from your CDs... easier to use than any other conference CDs. ”

Conference Coordinator  
American Nuclear Society  
La Grange Park, IL

## Key Features

- ▶ Interfaces are professionally designed in HTML format from your supplied artwork and logos.
- ▶ Papers and presentations are converted to Adobe® PDF format for universal viewing while audio or video content can be easily incorporated.
- ▶ The product will work on Windows®, Macintosh®, and most Unix and Linux operating systems.
- ▶ Security options are available to protect your content with anti-copying (for CD and DVDs only) and at the file level.
- ▶ Links to papers, presentations, list of sponsors, agendas, web sites or any other information you want to share.
- ▶ Powerful, “Google®-like” search engine is fast and robust.

## How it works

- ▶ We help you to determine the optimal product and options for your project and budget.
- ▶ Your supplied materials and specifications are carefully reviewed before production, with feedback and sensible solutions provided as needed.
- ▶ Your customized product is created by our staff and pre-replication proofs are provided for your final approval, before replication begins.
- ▶ Our guaranteed delivery ensures your products arrive on time.
- ▶ Free email, phone and help file support is also included with each product.

## Drive Your Next Conference

Give attendees your conference materials on flash drive media that they can use over and over.

- ▶ Branded with your logos.
- ▶ Capacities up to 2 gigabytes.
- ▶ Works just like a CD.
- ▶ Great sponsorship item.
